the Governmental Operations & Improved Methods Committee and adopted during the Board's last regular meeting in October.

7. Order:

The Chairman shall preserve order and decorum and shall decide all questions of order, including but not limited to the interpretation of the Rules and Order of Business, subject to an appeal by the Board.

9. Members, Speaking:

10. Order, Speaking:

When two or more members shall rise at once, the Chairman shall name the member who is to speak first.

11. Order, Speaking:

No member shall speak more than once on any question until every member choosing to speak shall have had the opportunity to speak.

12. Order:

A member called to order shall immediately come to order, and, if standing, be seated, except that he or she be permitted to explain. If an appeal be taken from the decision of the Chair, the Board shall decide the case without debate, and the question shall be stated by the Chair to be, "Shall the decision of the Chair be overruled by the Board?"

All motions shall be first offered, then seconded, then stated by the Chair before debate, and then debated, except that a member invoking the rule to divide a question (Rule No. 17) shall require no second, no debate, and no vote. All motions requiring a vote shall be decided by a majority of the weighted vote, except the motion to put the question

which shall require two-thirds of the weighted vote, except a resolution to standardize, which shall require two-third's of the weighted vote, except a motion to approve any project in the program budget of the capital improvement plan, scheduled to be funded through bonding, which shall require two-third's of the weighted vote, except where otherwise required by law.

16. Motions, Withdrawal:

After a motion is stated by the Chairman, it shall be before the Board, but may be withdrawn by the person offering the motion and the person seconding the motion at any time before decision or amendment.

17. Motions, Dividing the Question:

If any question in debate contains several distinct propositions, any member may have the same divided for purposes of debate and voting.

18. Motions, When in Order:

When a question is under debate, no motion shall be received except a motion to amend the question, to put the question, to adjourn it to a day certain, to lay it on the table, to commit it to a committee, or a motion to adjourn the Board.

19. Motions, When in Order:

A motion to adjourn shall always be in order.

20. Resolutions, Names of Members in Minutes:

The names of the members offering and seconding a resolution shall be entered in the minutes.

21. Votes, When Recorded:

The ayes and noes upon a question shall be taken and entered in the minutes, when required by law or if requested by any member. The Chairman of the Committee and then the members of the Committee offering the resolution shall be polled first.

22. Reconsideration, Motion for:

No motion for reconsideration shall be in order unless the motion be made on the same day or on the next session day following that on which the decision proposed to be reconsidered took place. The motion to reconsider must be made by a member who voted with the majority upon the decision to be reconsidered. Where any motion or resolution failed to receive a majority of the weighted voting power of the Board, the motion to reconsider must be made by a member who voted in the negative. A motion to reconsider having been put and lost shall not be renewed nor shall any subject be a second time reconsidered without unanimous consent of the members present and voting.

Notwithstanding the above, any member necessarily absent may, at the next regular session after the adoption or consideration of any motion or resolution, move a reconsideration of the same. Any motion to reconsider shall not be in order at a subsequent regular meeting unless said motion is filed with the Clerk of the Board in accordance with Rule 31, or at a special meeting unless said motion is properly noticed in accordance with Rule 6.

No member, whose attendance at any session has been noted in the record thereof, but who was absent at the time of the adoption or reconsideration of any motion or resolution at such session, shall be deemed to have been "necessarily absent" unless prior to such absence he or she shall have been excused by the Chairman, such excuse to be noted in the minutes.

23. Rules, Waiver of:

No standing rule or order shall be rescinded, suspended, or changed or any additional rule or order be adopted thereto except by unanimous vote of the members present and voting at a regular or adjourned or special session.

24. Layover:

Every resolution and local law as amended, before the Board, shall lay over until the next regular session of the Board if so demanded by any member. No further action may be taken on the resolution or local law or its amendments, but limited debate may continue at the discretion of the Chair. No member shall be required to tell his or her reason for lay-over of the resolution or local law. Any action on a

laid-over resolution or local law must take place at the next regular session. A special meeting may be called, pursuant to Rule 6, for purposes of considering a laid-over resolution or local law, prior to the next regular session. If a special meeting is called for that purpose, any action on the laid over resolution must take place at said special meeting. Amendments to such a resolution or local law being considered are not subject to lay-over. No resolution or local law may lay over a second time. When a motion, resolution or local law is presented at the last session of any year, then, and in that event, the Board must take a vote upon such motion, resolution or local law on that day unless such motion, resolution or local law be laid on the table by a weighted majority of the members present and voting.

25. Purchasing Practice:

No Officer of the County, nor any employee thereof, including officers and employees of the Finger Lakes Community College, shall make any purchase or incur any expenses chargeable in whole or part to this County without first obtaining the authorization of the County Purchasing Agent pursuant to Resolution No. 759, adopted on December 30, 1982, as well as amendments pertaining thereto. No claim for any purchase made or any expense incurred in violation of this rule shall be audited.

This rule shall not apply to purchases made or expenses incurred by the County Commissioner of Social Services or other County Officer or employee when such is authorized or directed by general or special statute or order of a court of competent jurisdiction, or by resolution, or local law passed by the Board.

This Rule No. 25 may be rescinded, suspended, or changed in accordance with Rule No. 23 in order that a claim for any purchase made or an expense incurred which violates this Rule may be audited by this Board.

26. Officers, Compensation of Elected:

Any motion or resolution relating to compensation of elected County Officers shall be presented at a regular session of the Board of Supervisors at least eight months prior to the beginning of the term of office of such officers, but if presented at the last regular session in the month of April, it shall be acted upon at such April session; this rule supersedes all provisions to the contrary as set forth in Rule No. 24. Nothing in this rule shall be deemed to deny or curtail the powers given the Board of Supervisors to increase salaries of elected officers during the term of office in accordance with Subdivision h, subparagraph 2 of Section 24 of the Municipal Home Rule Law.

27. Committee, Chairman's Power to Refer to:

All petitions, communications, and reports and motions requiring action of a committee shall be referred by the Chairman, without motion, to the committee having charge of matters relating to the same.

28. Attendance, Late Arrivals:

Any member attending a session of this Board subsequent to roll call shall address the Chair and request that his or her attendance be noted in the record.

29. Quorum:

A quorum shall consist of enough members present having at least a weighted voting majority. If those present do not have a majority of such voting power, those present shall adjourn forty-five minutes after the time set for the session.

30. Committees, Weighted Vote:

Because committee reports and recommendations are not binding upon the Board, Standing and Special Committees shall not use a weighted vote in the work of the committees, but however, any member of the Board may offer, at any time, a motion or resolution regarding any matter referred to Committee with or without the benefit of the Committee's report or recommendation.

31. Resolutions, Filing Deadline:

No resolution shall be offered unless it first has been filed with the Clerk of the Board by noon of the fourth working day prior to and not including the day of the session at which it is offered. Any resolution which has been filed in accordance with this rule may be offered by any member of the Board at the next scheduled Board meeting. This rule shall not apply to special meetings of the Board under Rule 6, nor to the Organization Meeting of the subsequent year, under Rule 2.

32. Local Laws, Procedure for Adoption:

The Chairman of the Board may authorize the setting of a date for all necessary public hearings, and may authorize the Clerk to give notice thereof. Each local law shall be presented by the delivery of a copy thereof to each supervisor, and by notation thereof as a Communication. Each local law shall be adopted as a local law, without a separate resolution of adoption, and the Clerk is hereby authorized to renumber local laws as necessary to satisfy the requirements of the Municipal Home Rule Law.
