Dear Mr. Rafferty:

I am pleased to inform you that the New York State Department of Transportation (NYSDOT) has approved the Ontario County Department of Public Works application for funding the Lakeshore Drive and Route 364 Sidewalk Improvement Project under the Transportation Alternatives Program (TAP) – Congestion Mitigation and Air Quality Improvement Program (CMAQ) in the amount of \$1,808,400.

Projects were selected through a competitive scoring process and consideration of available funds. The TAP-CMAQ programs will provide funding reimbursement for up to 80 percent of eligible expenses up to the award amount.

The NYSDOT Regional Local Projects Liaison (RLPL), Rich Papaj, will contact you to discuss the next steps; schedule a project kickoff meeting to assist you in developing a Project Management Plan and complying with all federal and State requirements.
