

## ONTARIO COUNTY PARK:

Come and enjoy Ontario County Park at Gannett Hill's over 400 acres of open space and woods. Set in the Bristol Mountains, the park boasts some of the best views in Ontario County and the Finger Lakes Region.

The park has over 17 miles of multi-use trails, including the Bristol Branch of the Finger Lakes Trail. The trail walk from the west loop parking area to the overlook is a "must do". This trail is ADA accessible and has spectacular views of the Bristol Valley to the south and downtown Rochester to the North. In recent years, the park has become a destination for mountain bikers. All trails are multi-use, courtesy and consideration are expected. Trails are maintained by the County with assistance from the Genesee Regional Off-road Cyclist group.

The park has picnic facilities including grills, two modern playground areas, two softball diamonds, a new basketball court, acres of open fields for playing frisbee or soccer, and an ADA accessible fishing pond.

Day-rental pavilions and lodges are also available. Consider holding your wedding, reunion, or company picnic at the Watkins or Wilson Lodges, which can each accommodate approximately 100 people.

After a relaxing day, stay the night in the Bristol Hills at one of the park's many camping facilities. Tent sites, RV pads, and cabins are available for nightly rental. Please call for reservations.
