## ***Volunteers Needed!***

---

*Volunteers are needed to assist inmates with life skills and Community transition. In most instances, the volunteers would work in a group setting with 6-8 inmates.*

*Some examples of need are Art or Music Therapy, Book Club, Access to Community Resources, Practice Interviewing, Spanish Culture, and Goal Setting.*

*Volunteers do not receive any compensation and are subject to a background investigation.*

*If you have the experience, training, or feel you have the drive to help others, download and complete the Volunteer packet and return it to the address as indicated.*
