

**ONTARIO COUNTY ECONOMIC
DEVELOPMENT CORPORATION**

ONTARIO COUNTY, NEW YORK

LETTER OF COMMUNICATION

For Year Ended December 31, 2018

Raymond F. Wager, CPA, P.C.
Certified Public Accountants

RAYMOND F. WAGER, CPA, P.C.
Certified Public Accountants

February 27, 2019

To the Board of Directors
Ontario County Economic
Development Corporation
Ontario County, New York

We have audited the financial statements of the Ontario County Economic Development Corporation, Ontario County, New York for the year ended December 31, 2018, and have issued our report thereon dated February 27, 2019. Professional standards require that we provide you with the following information related to our audit.

A. **Our Responsibility Under U.S. Generally Accepted Auditing Standards and OMB Uniform Guidance**

As stated in our engagement letter dated October 19, 2018, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

In planning and performing our audit, we considered the Ontario County Economic Development Corporation, Ontario County, New York's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over financial reporting. We also considered internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Uniform Guidance.

As part of obtaining reasonable assurance about whether the Ontario County Economic Development Corporation, Ontario County, New York's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit. Also, in accordance with OMB Uniform Guidance, we examined, on a test basis, evidence about the Ontario County Economic Development Corporation, Ontario County, New York's compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Uniform Guidance* applicable to each of its major federal programs for the purpose of expressing an opinion on the Ontario County Economic Development Corporation, Ontario County, New York's compliance with those requirements. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the Ontario County Economic Development Corporation, Ontario County, New York's compliance with those requirements.

**To the Board of Directors
Ontario County Economic
Development Corporation
Ontario County, New York**

B. Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to management and the Board in our engagement letter dated October 19, 2018.

C. Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Ontario County Economic Development Corporation, Ontario County, New York are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2018. We noted no transactions entered into by the organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no individually sensitive disclosures affecting the financial statements.

D. Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

E. Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

F. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

To the Board of Directors
Ontario County Economic
Development Corporation
Ontario County, New York

G. Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 27, 2019.

H. Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the organization’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

I. Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the organization’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

J. Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.
