Subject: State Fire Training Suspension Extension Through May 15, 2020

Good afternoon,

As a result of OFPC's engagement with the ongoing response to the coronavirus, all state fire training has been suspended. The suspension has been extended through May 15, 2020.

The Office of Fire Prevention and Control will continue to assess the situation and determine the need to further extend the suspension as the response to COVID-19 unfolds.

Should you have any questions or concerns, please do not hesitate to contact the OFPC main office at 518-474-6746.
